

# **BILL 148...** **LET US HELP YOU THROUGH THE CHANGE**

*We are here to help Thunder Bay businesses to manage and transition through the changes that may affect your workplaces.*

Are you facing the difficult decision of having to layoff or terminate current staffing as a result of Bill 148?

We can help! Contact Northwest Employment Works or YES Employment Services to find out more about employer services. We can work with you to design practical assistance and support for you and your laid-off or terminated workers.

We provide customized, practical and supportive services for workers facing job loss, including retraining funding options and a suite of services assisting with transition to new employment.
